

Rockin' Pi Day Song
By Dude Dude Chick

Hey Lady,
Gimme a slice o' that pi.
Just sayin'
It's lookin' so nice, that pi.

It makes so much sense
To get that big ol' circumference
from two radii multiplied by pi.

3 point 1 4 1 5 9 2
6 five 3 5 8 9 7 9
3 two 3 8 4 6 2 6
4

3 point 1 4 1 5 9 2
6 five 3 5 8 9 7 9
3 two 3 8 4 6 2 6
4

It makes so much sense
To get that big ol' circumference
from two radii multiplied by pi.
